Education

Sahyadri College of Engineering and Management	Nov 2022 – Present
Bachelor of Engineering in Computer Science (CGPA: 8.49)	Mangaluru, Karnataka
D.K. College	Jul 2019 – Mar 2021
12th Board - Science (Percentage: 76.6)	Dumeraon, Buxar

Projects

Web Protection Tool Oct 2024 - Jan 2025

- Designed and implemented a comprehensive Cybersecurity Suite leveraging advanced security protocols to safeguard websites against SQL Injection, XSS, DDoS attacks, and phishing scams.
- Developed robust threat detection and mitigation mechanisms, ensuring system resilience, continuous website availability, and improved incident response capabilities.
- Tools & Technologies: Python, Flask, HTML, CSS, JavaScript, SQL

Personal Carbon Calculator Apr 2025

- Developed a Streamlit-based web application to calculate individual CO2 emissions from daily activities, providing accurate carbon footprint assessment.
- Delivered personalized sustainability insights to drive environmental awareness, eco-friendly decision-making, and behavior change.
- Tools & Technologies: Streamlit, Python, HTML, JavaScript

SmartBuy July 2025 - Present

- Built a smart e-commerce web application with product browsing, advanced filtering, cart and wish-list management, and a simulated price comparison engine using mock APIs.
- Designed a responsive and scalable user interface to ensure a seamless shopping experience and support future expansion.
- Tools & Technologies: React.js, Node.js, Express.js, MongoDB

Skills

Languages: C, Java, HTML, CSS, JavaScript, SQL

Developer Tools: VS Code, GitHub, Cursor, MongoDB

Frameworks: Streamlit, React.Js

Soft Skills: Problem Solving, Team Collaboration, Effective Communication

Certifications

- Cybersecurity Job Simulation – TCS Forage
- Python Foundations – Infosys Springboard
- Java Foundations - Oracle Java Badge

Achievements

- Secured 2nd runner-up position at Project Omega 2025, a national-level hackathon organized by Yenepoya Institute of Arts, Science, Commerce, and Management.
